The Retirement Systems Building houses the three statewide retirement systems, Minnesota State Retirement Systems, Public Employees Retirement Association, and Teachers Retirement Association. The building contains two rooms that are available for use by outside entities – Board Room 117 and Training Center 106.

State Agencies and outside entities may rent either of the rooms for $50 per day. Please contact Gladys Rodriguez - gladys.rodriguez@mnpera.org, (651) 201-2691, or Mary Daly - mary.daly@mnpera.org, (651) 296-7489, to inquire about room rental.

Tenants in the Retirement Systems Building, the Office of the Secretary of State and the State Board of Investment, are allowed to use the rooms at no charge.

The first room, Board Room 117, has a large table that seats approximately 20. Chairs around the perimeter of the room seat another 20 guests. The room has a fully integrated audio, video, and recording conferencing solution. The room also has white boards, counter tops, and an attached coat room. Guest Wi-Fi is provided.

The second room, Training Center 106, has tables and seating for approximately 60 people, though up to 72 chairs can be made available. The room has two large presentation screens, an LCD projector, and an audio sound system with microphones. The room also has white boards, counter tops, and an attached coat room. A phone is available in the Training Room for incoming and outgoing calls. A speaker phone and a flip chart are available upon request. Guest Wi-Fi is provided.

Parking is available for free in the building’s lot or on the street.

MSRS, TRA and PERA are given first rights to use the rooms as owners. Other entities, however, are allowed to use the rooms when they are not in use by the owners. The rooms can be booked up to 6 months in advance, though the owners reserve the right to “bump” an entity if 30 days advance notice is given by the owners.
