FROM:	Amy Strenge, Policy Coordinator
SUBJECT:	Fire State Aid Allocation

At the September 26, 2019 Advisory Board meeting, Staff was directed to work with the LCPR on language regarding the allocation of surplus fire state aid. The resulting language in the attached draft bill covers eligibility, process, and notice requirements. This memo summarizes the contents of the bill.

Eligibility

In order for the municipality or independent nonprofit firefighting corporation to allocate surplus fire state aid to cover PERA Police & Fire contributions, the municipality or independent nonprofit firefighting corporation must meet all four of the following requirements:

- 1) During the prior calendar year the municipality or independent nonprofit firefighting corporation must have one or more firefighter covered by the Statewide Volunteer Firefighter Plan and one or more firefighter covered by PERA Police & Fire.
- 2) The market value of assets in the fund must be 110 percent or more as determined under section 353G.08 by the prior August 1.
- 3) The anticipated fire state aid payable with respect to the municipality or independent nonprofit firefighting corporation must be in excess of the annual funding requirement under section 353G, subdivision 1 or subdivision 1a, whichever applies.
- 4) The lump-sum benefit level election must be \$3,000 or more (or some other threshold as suggested by the Advisory Board).

Currently, the language excludes monthly benefit plans with the intention to analyze further the implications for monthly benefit plans.

Process & Notice

If the municipality or independent nonprofit firefighting corporation has met the eligibility requirements, the entity may elect to allocate surplus fire state aid payable that year between the Statewide Volunteer Firefighter Plan and PERA Police & Fire.

1) By February 1 of each year, PERA must upon request provide notice of eligibility, which includes an estimate of the amount available to allocate to the P&F plan and a description of any fire state aid allocated the prior year. PERA must provide that notice to any municipality or nonprofit firefighting corporation who had in the prior year split the surplus between the Statewide Volunteer Firefighter Plan and PERA P&F.PERA shall provide that specific notice upon request from a municipality or independent nonprofit firefighting corporation. Annually, PERA will also communicate a summary of this issue to municipalities and independent nonprofit firefighter corporations.

- 2) By March 1, the municipality or independent nonprofit firefighting corporation must notify PERA and firefighters of the intent to allocate surplus fire state aid.
- 3) By May 1, any objection to allocating the surplus fire state aid must be delivered to PERA. The petition must be in writing, contain a clear statement of opposition, and include the printed name, address, telephone number, and signature of at least two thirds of the firefighters covered by the Statewide Volunteer Firefighter Plan. PERA will verify the petition. In the event the petition is verified, PERA will not continue with the surplus aid split.
- 4) By August 1, PERA determines each plan's funding requirements for the following year's eligibility to allocate.
- 5) On October 1, fire state aid is distributed by the Department of Revenue and allocated by PERA between the Statewide Volunteer Firefighter Plan and PERA P&F. Any excess amount allocated to PERA P&F after one year must be returned to the Statewide Volunteer Firefighter Plan.

Staff Recommendation

Staff recommends that the Advisory Board discuss and recommend an appropriate minimum lump sum benefit level for eligibility purposes and then approve the recommended language as drafted.

1.1	A bill for an act
1.2 1.3 1.4 1.5	relating to retirement; statewide volunteer firefighter retirement plan; authorizing the allocation of fire state aid for combination fire departments; amending Minnesota Statutes 2019 Supplement, section 477B.04, subdivision 3; proposing coding for new law in Minnesota Statutes, chapter 477B.
1.6	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:
1.7 1.8	Section 1. Minnesota Statutes 2019 Supplement, section 477B.04, subdivision 3, is amended to read:
1.0	to read.
1.9	Subd. 3. Deposit of state aid. (a) If the municipality or the independent nonprofit
1.10	firefighting corporation is covered by the voluntary statewide volunteer firefighter retirement
1.11	plan under chapter 353G, and the municipality or independent nonprofit firefighting
1.12	corporation does not elect to allocate fire state aid under section 477B.041, the executive
1.13	director of the Public Employees Retirement Association must credit the fire state aid against
1.14	future municipal contribution requirements under section 353G.08 and must notify the
1.15	municipality or the independent nonprofit firefighting corporation of the fire state aid so
1.16	credited at least annually.
1.17	(b) If the municipality or the independent nonprofit firefighting corporation is not covered
1.18	by the voluntary statewide volunteer firefighter retirement plan, the treasurer of the
1.19	municipality must, within 30 days after receipt, transmit the fire state aid to the treasurer
1.20	of the duly incorporated firefighters' relief association if there is one organized and the
1.21	association has filed a financial report with the municipality pursuant to section 424A.014,
1.22	subdivision 1 or 2, whichever applies. If the relief association has not filed a financial report
1.23	with the municipality, the treasurer of the municipality must delay transmission of the fire
1.24	state aid to the relief association until the complete financial report is filed.

1

2.1	(c) The treasurer of the municipality must deposit the fire state aid money in the municipal
2.2	treasury if (1) the municipality or independent nonprofit firefighting corporation is not
2.3	covered by the voluntary statewide volunteer firefighter retirement plan, (2) there is no
2.4	relief association organized, (3) the association has dissolved, or (4) the association has
2.5	been removed as trustees of state aid. The money may be disbursed from the municipal
2.6	treasury only for the purposes and in the manner set forth in section 424A.08 or for the
2.7	payment of the employer contribution requirement with respect to firefighters covered by
2.8	the public employees police and fire retirement plan under section 353.65, subdivision 3.
2.9	EFFECTIVE DATE. This section is effective for aids payable in 2021 and thereafter.
2.10	Sec. 2. [477B.041] ALLOCATION OF FIRE STATE AID PAYABLE TO THE
2.11	STATEWIDE VOLUNTEER FIREFIGHTER PLAN.
2.12	Subdivision 1. Applicability This section applies for fire state aid payable under section
2.13	477B.04, subdivision 3, paragraph (a), in any year if:
2.14	(1) during the prior calendar year the municipality or independent nonprofit firefighting
2.15	corporation employs one or more firefighters covered by the statewide volunteer firefighter
2.16	plan and one or more firefighters covered by the public employees police and fire retirement
2.17	plan under chapter 353;
2.18	(2) the market value of assets in the account of the municipality or independent nonprofit
2.19	firefighting corporation is 110 percent or more of the account's total accrued liability as
2.20	determined under section 353G.08 by the prior August 1;
2.21	(3) the anticipated fire state aid payable with respect to the municipality or independent
2.22	nonprofit firefighting corporation exceeds the annual finanical requirement under section
2.23	353G.08, subdivision 1; and
2.24	(4) the municipality or independent nonprofit firefighting corporation provides a
2.25	lump-sum benefit and the service pension level under section 353G.11 is \$3,000 per year
2.26	or more.
2.27	Subd. 2. Allocation of fire state aid. (a) Unless prevented under subdivision 3, the
2.28	municipality or independent nonprofit firefighting corporation may elect to allocate fire
2.29	state aid payable that year between the statewide volunteer firefighter plan and the public
2.30	employees police and fire retirement plan by providing notice of its intent to allocate fire
2.31	state aid before March 1. The notice must be provided to:
2.32	(1) the executive director of the Public Employees Retirement Association; and

2

3.1	(2) the active firefighters of the municipality or independent nonprofit firefighting
3.2	corporation covered by the statewide volunteer firefighter plan.
3.3	(b) Upon receipt of fire state aid, the executive director must allocate the fire state aid
3.4	payable in that year as directed by the municipality or independent nonprofit firefighting
3.5	corporation except that:
3.6	(1) the aid allocated to the statewide volunteer firefighter plan cannot be less than the
3.7	annual financial requirement; and
3.8	(2) the aid allocated to the public employees police and fire retirement plan cannot
3.9	exceed the amount of employer contributions under section 353.65 paid by the municipality
3.10	or independent nonprofit firefighting corporation during the prior year.
3.11	(c) The fire state aid allocated to the statewide volunteer firefighter plan is credited
3.12	against future municipal contribution requirements under section 353G.08. The fire state
3.13	aid allocated to the public employees police and fire retirement plan is credited to the
3.14	municipality or independent nonprofit firefighting corporation against future employer
3.15	contributions. If at the end of the one-year period following allocation, the amount allocated
3.16	exceeds the amount actually owed by the municipality or independent nonprofit firefighting
3.17	corporation to the public employees police and fire retirement plan during the prior one-year
3.18	period, then the excess amount must be reallocated to the statewide volunteer firefighter
3.19	plan. The reallocation of fire state aid must occur within three business days of the end of
3.20	the one-year period.
3.21	Subd. 3. Firefighters permitted to object. The municipality or independent nonprofit
3.22	firefighting corporation is prevented from allocating fire state aid if two thirds of the active
3.23	firefighters covered by the statewide volunteer firefighter plan for the municipality or
3.24	independent nonprofit firefighting corporation object to the allocation. An objection is only
3.25	effective for aids payable in the year in which the objection is made and only if the executive
3.26	director of the Public Employees Retirement Association determines that the objection
3.27	complies with this subdivision. An objection must:
3.28	(1) be in writing;
3.29	(2) contain a clear statement that the signors object to the allocation of fire state aid;
3.30	(3) contain the printed name, address, telephone number, and signature of at least two
3.31	thirds of the firefighters covered by the statewide volunteer firefighter plan; and
3.32	(4) be delivered to the executive director by May 1.

4.1	Subd. 4. Notice. (a) By February 1 of each year, the executive director of the Public
4.2	Employees Retirement Association must notify each municipality or independent nonprofit
4.3	firefighting corporation that allocated fire state aid under this section during the prior year
4.4	of the following information:
4.5	(1) a determination of whether the municipality or independent nonprofit firefighting
4.6	corporation is eligible to allocate fire state aid under this section;
4.7	(2) an estimate of the amount of fire state aid available to allocate to the police and fire
4.8	retirement plan; and
4.9	(3) the amount of fire state aid allocated during the prior year.
4.10	(b) At least annually, the executive director must provide each municipality or
4.11	independent nonprofit firefighting corporation employing at least one firefighter covered
4.12	by the statewide volunteer firefighter plan with a summary of this section. The executive
4.13	director must provide to a municipality or independent nonprofit firefighting corporation
4.14	the information described in paragraph (a) upon request.
4.15	EFFECTIVE DATE. This section is effective for aids payable in 2021 and thereafter.
