

You have the option to upload documents on myPERA. Currently five documents are accepted:

Birth Certificate, Identification, Marriage Certificate, Verification of Termination, and Annual Earnings Form. All other documents may not be reviewed.

- 1** Log in to your myPERA account in the top right corner of mnpera.org

- 2** Click **Upload Documents** in the menu on the left.

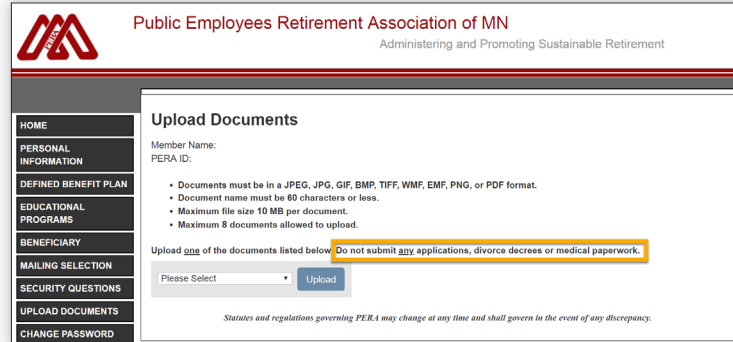

Feature not available to retirees or those receiving a survivor benefit.

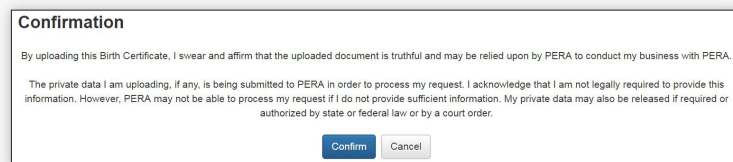

- 3** Select the document to upload from the drop-down list and click **Upload**. Then choose the specific document to be uploaded from your computer.

Do not submit: divorce decrees, medical paperwork, or any applications.

Word documents currently not accepted

- 4** You must confirm the authenticity of each uploaded document. Click the **Confirm** button.

- 5** After uploading, the document's name, file type, and upload time are highlighted in green.

DELETING FILES:

- You can delete any uploaded document while in the same myPERA session
- The "delete document" icon displays to the right of the uploaded document (piece of paper with a red X)
- You must confirm the deletion request for every document you attempt to delete
